INVITATION MESSAGE

Dear All,

It is a great pleasure to welcome everyone to the Surviving Sepsis Roadshow (SSR) in Kota Kinabalu, Sabah.

The SSR vision is to help guide clinicians caring for their adult patients with sepsis and septic shock based on the latest Surviving Sepsis Campaign Guidelines 2016 which is a joint collaboration of Society of Critical Care Medicine and the European Society of Intensive Care Medicine.

Through the organization of educational roadshows, we offer important advancement for clinicians caring for patients with sepsis and septic shock starting with early identification of patients at risk.

The SSR offers interactive sessions and other educational programs with sepsis experts.

We are honored by the support of the speakers, Malaysia Society of Intensive Care and Hospital Queen Elizabeth. We look forward to everyone's active participation.

Best Regards,

Surviving Sepsis Roadshow Committee, Sabah Chapter
