---------------------------------	--------------------------

DAILY PROGRAMME

8th September 2024 (Sunday)

1320 - 1600

Sabah Room

IFAD MINI 

Appropriate Fluid Management

Fluid Management - Challenges in the Emergency Department

Srirao Siva

De-Resuscitation - What, How, When?

Adrian Wong

Panel Discussion - What Haemodynamic Monitor should we be Using

Sheila Myatra

Fluid Stewardship - Defining Good Practice/KPIs from a LMIC Perspective

Sheila Myatra

Fluid Stewardships - Lessons from Indonesia

Sidharta Kusuma Manggala / Faisal Muchtar

Panel Discussion - How are we Going to Implement Fluid Stewardship?

The Malaysian Chapter of IFA with Adrian Wong

1600 - 1620

Closing Quiz (Post-Test), Prize Giving and Wrap it Up

Manu Malbrain

1620 - 1630

Wrap it Up

Adrian Wong

1630 - 1635

Group Photo
